

*There are eight lessons. They'll take you through a step-by-step process of easy learning. Best of all, you'll have the information you need to make intelligent decisions about your spiritual life. Here are the lessons you'll study.*

**1 . Who Is Jesus?** You'll examine the claims the Bible makes about Jesus. You'll be surprised and amazed!

**2 . Evidences for Christ's Resurrection.** Is it reasonable to believe that Jesus *really* rose from the dead and is alive today? Yes!

**3 . The Word of God.** What is the difference between the Old and New Testament in your Bible? Which are we to follow today? Why? Is the Bible reliable?

**4 . The New Testament Church.** Did you realize that in the first century there was only one church and every Christian belonged to the same church? Which one?

**5 . Obeying the Gospel Call.** This lesson gets specific on how to build a great relationship with God and be saved.

**6 . The Kingdom of God.** What is the kingdom of God? Is it yet to come or is it here?

**7 . The Holy Spirit.** Who is the Holy Spirit anyway? What are his characteristics and personality?

**8 . The Miraculous Gifts of the Spirit.** Can the dead be raised, the blind healed, and AIDS instantly cured today? Make up your own mind after this lesson.

### Here's what some are saying:

*"I've learned more from the first lesson than I had learned in my entire religious life before. I've told all my friends!" (Shaun Peterson)*

*"This is the first time I've had someone take the time to come to my house and actually sit down and explain things like this. It's great!*

*(Butch Huseby)*

## BUILDING YOUR RELATIONSHIP WITH GOD

---

*"You shall love the Lord, Your God with all of your heart and with all of your soul and with all of your mind. This is the first and greatest commandment"*

*(Matthew 22:37-38)*

## ARE YOU LIKE MOST PEOPLE?

**If you're like most people**, you believe in God, but wish you had a better relationship with Him. It's not until someone dies, or a child is born, or a tragedy occurs that many people try to "find" God and re-establish some contact with Him. It is then that they begin to pray, or go back to church, or try to read their Bible, perhaps for the first time.

**If you're like most people**, you believe in God, but have questions that you want answered. Where did I come from? Why am I here? Where am I going? Who is Jesus, really? Can I know for sure that I will go to heaven when I die? How?

**If you're like most people**, you don't want to be "religious" or a "goody-goody," or a hypocrite. Hypocrites, plastic people and fakes are everywhere, especially in religion. It seems that almost everywhere you look, you see people who are supposed to be religious asking for your money. Moral corruption, scandal and abuse are what a majority of people see when they look at "religion!"

## WHERE DO YOU FIND SOME GENUINE, REAL ANSWERS?

If you're like me, I wanted to find God, but didn't know where to look or how to go about it. I tried to read the Bible,

and started in Genesis, "In the beginning God created the heavens and the earth. Then this guy begat this guy who begat this guy and so on!" That didn't help! I didn't know where to begin!

*It wasn't until someone actually sat down with me personally and helped me open my own Bible and read it for myself that my relationship with God began to take place!*

Oh, I'd been raised in a religious atmosphere, and I had prayed all my life, but I didn't have a real relationship with God. That's the very thing I wanted!

For the first time in my life, I finally had been given enough information so I could begin making intelligent decisions for myself. Jesus said, "*You shall know the truth and the truth shall make you free*" (John 8:32). My own Bible actually had all the answers, but I never knew how to unlock the simplicity of the Word of God for myself!

***"I've learned more for myself about the Bible in the first three lessons than in all the years I went to church looking for the answers...."** (Kathy, single mom)*

## YOU TOO CAN FIND THE ANSWERS!
